strong *structural form*
superbly *crafted*

The Land Rover set of Foundry Monoline comprises 8 weights: Regular, Medium, Bold and Extra Bold with matching Italics. Foundry Monoline is an elegant, modern typeface eminently suitable for identity, advertising and editorial use. A deceptively simple design, with a clean, linear appearance created using strong structural elements, and careful optical adjustment to achieve a monoline appearance throughout. This specified set is available in OpenType Levels 1, 2 and 3 providing a wide range of language access.

Foundry Monoline contains capitals, lowercase, ligatures, tabular and proportional lining figures, superior and inferior figures, numerators, denominators, fractions, punctuation and typographic symbols.
